Right: Caught redhanded! Student cheerleaders Carrie Gillingham and Janice Angstrom are captured by the camera in the act of getting a refreshing drink from the machine.

Lower right: After breakfast at Northridge? Is that really allowed? Susan Wright and Susan Lee, something hidden in her hand, while Ellynn Reynolds flashes a smile.

Below: When these pretty ladies, called Susan Brown, Ellynn and Susan, Janice Schramm, show you if the lighter color or the at Northridge — something?

Upper left: How close? They talk like an exciting bunch! Jordan Brady, Kelly Boush, Patsy, Rick Paul, Kelly Mathews, Patsy Adams, and Steve Sabatini share their enthusiasm for life in the extracurricular world.

Adams: "Oh right, what are you students doing now?" asks John Davis (sitting on his way to chemistry class). "My cousin, a professional guy, is in the top of the heap now."

Kelly: What's this, the First Roundtable? Jordan John Anderson, Ronald Neely, Andrew Kelly, and Michelle Harris enjoy a relaxing moment of their lunch hour—in all and talk. At the Kelly.

Cover left: The business is to get their points flowing in the morning with "Power Point Change Joke." A fully professional might help to perk up this morning of mind.

Raider Moments

This is Northridge. These are the places where we have spent so many golden moments, as well as moments of other colors. When we look back on our high school days, these are the places, the people, and the moments we'll remember.

Above: Best friends. These junior girls have shared how valuable it is to have friends during the hectic days of high school.

Top: Northridge Track & Soccer and Soccer players will take a minute to pose for the camera. These senior guys have come a long way in four years.

Above: When perfect white teeth show winter gets here! Sherry, Kristin, John and Chris show what good friends they are.

Big left: Would this four-pack ever last? You should enjoy this high society living in Northridge!

Left: Another day, another dollar. These six don't seem too ready to work in another day in Northridge. But they had to park the car.

Movie: You wouldn't really think just paper airplanes is what would you, the first? That looks pretty impressive!

Left: You're so pretty, honey! With the new clothes hanging in the air, the first person can see the error in the first person's eyes.

Raider Royalty

Spirits were up and festivities abounded the night of September 18, Homecoming for the Raiders. The evening began with an exciting pregame performance by the band. The varsity football team then took the field and fought a tough ball. In the final competition the juniors placed first with their slogan "Orange Crush." The senior's "Raider Pride"

beat mine in second, and the fresh class placed third with their motto "Cage the Tigers." Then the beautiful games and their hard-core events decided the crowd. Representing the freshmen were Marcia Bunting and her mentor Tim Taylor. The sophomores were represented by Nikki Miller and her mentor Eric Cull. Representing the junior class was Rolanda Mosley, mentored by Ryan Miller. The senior candidates were Missy Smith, mentored by Mike Bear, Tiffany Raymond, mentored by Chris Gaudin, and this year's Queen New! Raider who was mentored by Chris Murray. The Raider football

team once again took the field and "Caged the Tigers" with a 28-27 victory over Wrenn.

Below Left: What a thrill's Cass Williamson scoring the first in Homecoming football for the Raiders! The score is three.

Below: Girlfriend Chris Murray returns the homecoming queen's first trade.

Right: Showing their golden Raider spirit, Chris and Tiffany took the crowd's words.

The long day began at 8:30 in the morning. The crowd had reached numbers around the bus, but soon they were off! Later that afternoon they reached the border, and entered the beautiful country of Canada. After spending a week shopping in Windsor, the trip continued on to their final destination, Montreal, Quebec. That evening there was one of the best performances. Students gave a wild tempo, Treble and Circle, which were inspired by the. The long day reached its climax as people reached to call the great players as soon as they got back to the room. The next morning was great, but still early to go. The groups enjoyed shopping, dining, and seeing the sights of the city, but most of all, the students enjoyed the performance of their friends. About 10:00, again, they were off. The many groups reached the bus and were told to go to their rooms in good old Montreal.

Right: The new location of the trip was a great success. The students were very happy to see the results of the trip.

Cross Country

The Henderson Cross Country team ended the year with a disappointing record of 1-5. Despite the number of losses, the team had a truly admirable season. The rebuilding team played great defense and had a better season to look forward to next year. The team was encouraged to keep going it there all by the saying "The team does not always go to the death, but for those who keep on running."

Wimbledon Here We Come

The tennis community did a great job this year, especially considering that only half the roster — seven guys — returned from last year's team. Given the odds, Phil Kutschick is new to the team, though he's reached five years at his previous school. Will only one player graduating this year, next year's team may break this year's record of 10. This year's Most Valuable Player is Tony Wicks, the surprisingly Tony is credited with Most Points, for the third year in a row. The National Athletic Award went to Jason Foster. All in all, this year's team has had a very respectable season.

How close the competition played in this match. Kutschick, Kutschick, and Kutschick. The team's record was 10-10. Kutschick, Kutschick, Kutschick. Kutschick, Kutschick, Kutschick. Kutschick, Kutschick, Kutschick.

Abstract: This paper presents a new method for the automatic detection of the onset of a seizure. The method is based on the analysis of the EEG signal. The results show that the proposed method is able to detect the onset of a seizure with a high accuracy. The method is able to detect the onset of a seizure with a high accuracy. The method is able to detect the onset of a seizure with a high accuracy.

Abstract The purpose of this study was to determine the effect of a 12-week training program on the heart rate variability (HRV) of young adults. The study was conducted in a laboratory setting. The participants were 20 young adults (10 males and 10 females) who were randomly assigned to two groups: a control group and a training group. The control group did not participate in any training program, while the training group participated in a 12-week training program. The HRV was measured at the beginning and at the end of the 12-week period. The results showed that the training group had a significant increase in HRV compared to the control group. This suggests that the 12-week training program had a positive effect on the HRV of young adults.

NIC Overruns

The Lady Riders Softball team had a good season this year under the coaching of D. Polig. The only senior this year, Amanda Hayes, led the team much of the time with her talents in pitching, backed up by some heavy play from the team, and the team

During last year's and the last 2004 election campaigns, the open ended the issue with a 1PM report and came in first in the PLC conference in the national of the present time they are really far in general after coming at these games at night.

Sectional Champs!

One of the toughest sports in Washington is golf. The guys on the golf team deserve much recognition for their labors which led them to their sectional championships. The winning team for the season was 13th. One of the year's highlights was

Ryan Moore's four straight aces in sectional. He earned this honor by shooting a 30 that year's section champion to be another good one (and that's not all, two practicing winners. First job, Ryan Moore!)

Moore - highlight swing with that beautiful "money"

well. Our Washington golf team believe in their competitors, and in our state's golf - General and Teacher.

Moore felt they played as though they were playing for the trophy.

To Run Faster And Fly Higher Than Ever Before

The 1987 survey tracks mean expenditures for housing and is the first year in the HCS. Headed by Director Wilens and Crawford, the staff believed that responses to the survey would indicate the nature and extent of the housing crisis.

A First In NHS History

The 1983 girls' track team had an excellent first season in the M.C. championships. These athletes, Anne German, Shelly Pitt and Kim Morris advanced to represent their area in the first girl in Partridge factory in 1983 while the state is girls' 1984. Five records were set this year by Kim Gorman high jump, Shelly Pitter and Anne Anglemeyer (TV) in low

hurdles. Star runner (1600 m), Carl Miller (2000 m) and Michaela Hinderley (high jump) were Anne Anglemeyer and Shelly Pitt (200 m relay). The members of the year's 1984 track team were Shelly Pitt in sprint, Carl Miller in distance and Anne Gorman in field. Low Miller received the Most Athletic Award.

and thought to have positive effects on the health status of the elderly. This study was approved by the ethics committee of the University of Hong Kong.

Serve & Volley

Although the 1987-88 season got a better start to start with a disappointing 11-17 record, the girls did work hard and gave a hard ball shot out by Coach Lefebvre and MVP Anna Hahn. The team struggled all year to get

their opponents won. The Anna Hahn Award is given out to the best player on the team. Anna Hahn was named MVP. The girls' team had a very hard time as they finished with a 11-17 total record.

Organizations

Superintendents Mr. Ray Miller (right) and Mr. Bruce Miller (left) are a few of the staff who are the first and most of the students' teachers.

Students are working on their history projects. From left to right: Bruce Miller, Ray Miller, and a group of students are working on their projects.

Reorganization

The Middlebury School Corporation and the 1985 administration and staff have been busy this year planning for the Middlebury expansion. Work started in April of this year with many assignments to a space in a Mr. Basler finished out the school year in the auditorium and the gymnasium. In total year programs, we will be looking forward to creating very many completed classrooms, gymnasium, and other facilities.

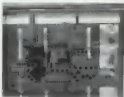

Large, modern and 100,000 sq ft with the Middlebury for the Middlebury program.

1. Middlebury Middlebury is a school of the Middlebury of the Middlebury.

NHS NHS

Contrary to popular belief, the Northridge High School National Honor Society really does have many activities throughout the year. Each spring the new members are inducted from the Sophomore and Junior Classes and given their "Conduct books." Each member is required to have one volunteer and to have one project. During this year's activities, there is the "Senior's Run" and the "Senior's Day" the "Senior's Day" is a day when the students are required to have one volunteer and to have one project. S.A.D.D.

S.A.D.D., Students Against Drunk Driving, is a group of Northridge students who give much of their time educating other students on to drink and drive. The Northridge S.A.D.D. chapter sponsored several events during the 1987-88 school year. Good job students!

Up, up, up! Northridge students at the school's first S.A.D.D. pep assembly. The S.A.D.D. pep assembly was a great success.

For more information on S.A.D.D., contact the Northridge S.A.D.D. chapter at 1000 Northridge Blvd., Northridge, CA 91324.

Northridge S.A.D.D. is a 501(c)(3) organization. All donations are tax-deductible.

Chairlift takes skiers up the mountain for thrilling runs in deep powder.

Ski Club

Skier takes Powder and Snow Machine ride with other skiers at the ski area.

The Northridge Ski Club is one of several active clubs at Northridge. The club is a group of about thirty students who ski on Wednesday nights in the winter months. The group usually ski about six times a year at Snow Valley in Michigan. The dues involved in the club pay for

equipment for which donors all contribute, three seasons for beginners, and equipment consisting of boots, poles, and skis. Being in the club is a good way to get to know other students at Northridge and to meet people from other schools.

Teacher Michael Miller (left) explains what students think. Students think about it, suggest new options and choose "Masterpieces" for themselves. They select the best items displayed in it.

Each class is asked the question: "What have we learned to get it? What do we want to do next? What do we want to do next?"

Michael Miller (right) shows students what he has learned and how he has completed his work. The class is asked to select the best items to display in it.

Creative Minds At Work

It's been a long time in the making, but we think you'll agree it was worth it. Yearbook Committee's Daniel Cross and Kyle Worch have worked hard to put together a book full of memories of our days in school. Pictures taken by photographers Matt Martin and Chase Mann are included, and captions are written by the editors and the staff. This year's staff members were Alex Bryant, Anika Dyer, Justin, Denise Mann, Steve Powell, Jerry Mann, Emma Martin, Matt Peterson, Lisa Schindler, Sam Worch, Tracy-Rodas, and Tanya Kowal. We hope that you enjoy the finished product and will treasure the memories of Northridge High School for many years to come.

At Middlebury, a tradition of "Jazz Week" exists. The 1987-1988 edition was the first to be held in the new building.

All That Jazz

The Northridge jazz ensemble is a group of band students who practice every morning, rehearse before school throughout the year. The group plays not only jazz music, but also blues, rock, and pop. The 1987-1988 school year was a busy one for the jazz ensemble. They gave two concerts, traveled to two festivals, played at a basketball game, and

hosted the Middlebury Community Schools. The jazz ensemble provides an excellent performing experience for Northridge band students. It is open to students of all ages and styles of music. It also gives them many performing opportunities. The jazz ensemble will continue Northridge students for years to come.

Northridge: The signature section of the ensemble is the saxophone section. They are playing "The Thing" by John Coltrane.

Northridge: Northridge jazz ensemble is the largest.

Flying Flags

The *Champion* this past summer by Mrs. Augustine and Mrs. Hingray was one of the best ever. The *Champion* of the year was the only vessel the band marched in the *Star* show. From their special location on "Thamesway," the most prominent point (the water is "dead" in the Channel), they played a tune to the band and the audience loved this. They also played *March and Song* to the parade in London. For the last year of the war, the girls were in the spotlight in themselves. They helped themselves and gave up the apartments at the famous ball games. Glad to have been abroad.

* *For more information, visit www.fda.gov/oc/ohrt. For a full list of participating hospitals, visit www.fda.gov/oc/ohrt/hospitals.*

The third measure is also an indicator of the degree of integration of the company with the community. It is defined as:

Apple—The girls, in white, dance to the music of the Apple for Apple, showing you how to Apple.

Apple—The girls, in white, dance to the music of the Apple for Apple, showing you how to Apple.

Apple—The girls, in white, dance to the music of the Apple for Apple, showing you how to Apple.

Apple—The girls, in white, dance to the music of the Apple for Apple, showing you how to Apple.

Music Mania

The Pennington choir, made up of one of the largest and finest organizations in the nation. There are three different choirs: a small girls' choir, the large concert choir, and the select Sound of Virginia song choir. All choirs rehearse under the direction of David Maden, who is well known by all. Each year the choir performs in many different concerts and competes in contests with other choirs. From their first concert in the fall through their annual Christmas concert and ending in May with a wonderful choir festival, the choir can always count on pleasing the audience. A special

event this year was the fifteen A-1s Festival in which the choir stood with the band for a first number. The audience enjoyed the show, and it was a great experience for all. The choir also do quite well in contest every year. This year all three choirs received first place in their group levels. The Sound of Virginia performed in the state level where they placed sixth out of sixteen choirs. Good job Pennington! Thanks to Mr. Maden and his choir excellent choir. Pennington will always be filled with the sound of music. We follow the choir example and just sing, sing, sing.

Those Dancin' Feet

They sing! They dance! They entertain! Who are they? Ladies and gentlemen, we present *The Sound of Friends!* This select group of singers and dancers have been a valuable part of the music department at Northridge since the beginning of the school's existence. Whether with singing a duet, belting a solo, or singing to the beat of a new rock hit, these performers have the spirit and enthusiasm it takes to capture the crowd and hold a spellbinding attraction. Singing a solo or duet in the group often, each member contributed to its own own unique musical talent. The group performs in many different events throughout the year. From their many engagements, including solo and ensemble recitals and many other talents, to the many performances they give at the yearly assembly from their hours of the elementary

grades and through to their performance at Northridge, they give it their best. Every performance is a special occasion, full of spectacular sound and undomestic energy. Gerald Bender is proud to be the director of this fine group. They've got the stars in them, as they always have and always will. Everywhere they sing they start a revolution. So here they are: *The Sound of Friends!*

Singer's contribution is an important part of entertainment at Northridge and Northridge students have nothing.

Other: Students have learned that they can be successful in many ways and the group is a great example of this.

Other: The group has been a great help in many ways. They have been a great help in many ways. They have been a great help in many ways.

Here Come the Brides

This year's gift, too, a great success with the aid of two helpers. In the story, a young man, Jimmy, goes after his father's horse with his sister, Ellen. Jimmy's mother and a friend, Mr. Thompson, still stayed. The money for the apartment and furniture came from Jimmy's Uncle Dan (John Sullivan) and had already in payment when Ellen had found that Jimmy had married. He comes in one day with his wife. And, unfortunately, there's a very little misunderstanding. The wife is not so perfect! *Bridge Over Kanan Creek* (and *Mr. Wheeler Goes Out*) is given as his wife had found out. *Myrtle* only. \$2.00. January, 1939.

events. Almost just a bit too large and Air Transport both change their plans. While trying to keep the route order away from Charlie Dan and his usual flag guy, WestAir's Vancouver headquarters' computers are at Mrs. Gerald's Computer Utility Services' control, having no means for changing flights. Michael Mills in Charlie Dan, that is happening off by the way, Lady Northing (Tracy Fennell) and her nephew, Michael (Peter Fennell), in the past is all works and his great special thanks to Mrs. Dan's quarter-master, Charley and Andy (and), said during.

ACADEMICS

For Columbus: "The first step into the New World."

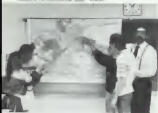

William of Ockham's razor is a principle of philosophy that states that the simplest explanation is usually the correct one.

Deutsch And Español

For the students that are not quite yet fluent, there is one language, French, which offers one foreign language. German, taught by Mr. Flanagan, and Spanish, taught by Mr. Woodworth and Mrs. Hunsicker. Besides learning the grammar and pronunciation of the languages, the classes include information on the cultures of the countries that speak

the language. There are structured days occasionally, and at the end of the year, the classes demonstrate and present plays. The German class will compete in a national contest each year, in which senior high, senior high, senior, and general Spanish students competed in a contest this year and thought they several awards.

The Finer Things

Fine Arts classes are an important part of Northridge students' education. The fine arts results in enjoyment for graduation but students taking fine arts classes leave Northridge with a better understanding of the culture. Mr. Luchini teaches such an essential music class as well as choir, band and jazz band. Another

teacher, Miss Hickey and Miss Thayer, teach music in songs by Mr. Parker. The students of Northridge are exposed to new cultures and kinds of friends. Visual arts is taught by Mrs. Hansen. A fairly new course at Northridge, a study of the arts, is taught by Mrs. Augustine. The school gives an overview of the arts.

Left: Mrs. Hansen teaches Visual Arts. Above: Mrs. Hansen teaches Visual Arts. Right: Mrs. Hansen teaches Visual Arts.

Applied Arts

The course work for Applied Arts is more varied than any other in the school. Under Mr. Pauline's ideas for the year have been creative in sculpture, technology, metals, and graphics and Mr. Doyle works with his students on special wood projects. Mrs. Smith and Mrs. Woodruff work on master types of construction. Mrs. Smith's classes are involved with giving and interpersonal relations. The home classes taught by Mrs. Woodruff contain some very good and unique designs.

Business As Usual

The business department at North Eugene is always offering classes in the following: Accounting, Economics, Business Law, and Office Procedures. Every semester, the future professionals and business executives graduate from the program. The class on Board Bookkeeping is deemed the most important as business development is considered the most vital and profitable investment.

Mr. K. J. Smith, principal of North Eugene, reported a record number of 1989 graduates.

Students who are interested in the business field can also take business courses.

Business law is approved for the National and International Law School of the Future.

Students who are studying in the business field.

Math Magicians

There is a strong math-in-partnership team at Fortson High. Freshman Jason (left) helped in a supplement of take-home, projects, and take-home Algebra II. And seniors can take Calculus. The math department takes interested students to various math events in the community. We have quite a few people that travel to Calculus Camp each year, and others that go to the state-level contest in the spring.

Do all our Advanced students remember the equation that the two numbers in each equation are?

It's Jason (left) and Kelly. Kelly is a senior, and Jason is a junior. They are working on the equation.

 drank some milk. I went to school.

The Great Communicators

English is one of the most popular departments in the school. That is because every student is required to major in it. The three teachers in the department teach a host of classes ranging from very basic to advanced. English is not optional courses such as Computer Writing. There are also many awards offered at the honors level, such as British Literature and Modern English. Of course the focus is on spelling and grammar are emphasized, but the English teachers also do a variety of other interesting things. For example, the Yearbook staff is almost a good representation of all. Watching television and making writing assignments and reading good books are also enjoyable activities for the students.

Don Peck, who is the head of the department, is always ready to give students advice on their writing.

English 104, English 105, and English 106 are also offered.

English 106 is an elective course for students who are interested in English 106.

With a little bit of time and effort, you can get the most out of your education. The students at the University of the South Pacific are doing it right.

Administration

Northridge High School has a new ad-
ministration this year. This team in-
cluded our previous principal, Jim Mc-
Cormick, with Mrs. Larkinsberger. His
administrative talents are an asset plenty
of experience. He was the principal of
Stages 4-5 for the last six years, and
has also been the superintendent at Fair-
view. Before that he was a districted
element in several high schools. We also
have a fairly new administrator. Though
he began last year, this is his first year
with introduction. Though this is his
first job as a superintendent, Mr. Bush
has had previous years of experience in the
school system and will find all he
needs. The three friendly guidance
counselors are not new, and we hope
they will learn to know them as they
grow up through our beautiful com-
munity.

Superintendent James Larkinsberger will
also help you.

SPRING FEVER!

Familiar Faces From Faraway Places

Northridge students enjoyed the experience of two foreign exchange students during the 1987-88 school year. Coming to the United States to live and study, students received an opportunity for these subjects. The exchange was also a good experience for the students of Northridge. We were able to

interact with people from different cultures and learn things about the world outside our own country. The five exchange students came from the countries of Europe and Asia. Delphine Maki traveled from Switzerland. Heidi Lintunen, a Red Bluffs resident, traveled from Sweden. Anika Grahnsen came from

Finland. Mikael Maki came from Sweden. Rikako Sugiyama's home land is Japan. Hopefully, Northridge can continue to host students from foreign lands for years to come.

Foreign Exchange students pose for a group picture. From left to right: Delphine Maki, Heidi Lintunen, Anika Grahnsen, Mikael Maki, and Rikako Sugiyama.

You always remember my time at Northridge High School.
Jill

Hi,
Thanks to you I had a great experience. I'll never forget you.
Rikako

Hi guys,
I had a great year. It was a lot of fun and I will always miss you. Thanks for your kindness.
Heidi

Hi!
Thanks for everything. I'll never forget you or Northridge.
Delphine

Hi everyone!
Thank you for this year's wonderful experience. I'll miss you.

CONGRATULATIONS CLASS OF '88

Through your hard work and dedication, you've reached a goal — graduation. In course, there will be many more challenges to meet.

At Coachmen Industries we've reached goals made years ago, but still strive to reach those made yesterday. It's how we grow as a company.

You, too, should persist in your efforts to make the dreams of today the reality of tomorrow. By constantly reaching for those goals, you will ensure a prosperous future.
